

Lebanon County Community Concerts

Community Partners Program

The **Lebanon County Community Concert Association** has been providing quality live musical concerts in the Lebanon County community for the past 74 years. Won't you partner with us to help keep the tradition alive? The attached copy describes the upcoming 2007-2008 Concert Season, as well as the names of some artists who have appeared through the years.

We ask that your organization encourage members and friends to subscribe to this exciting concert series. AND... in recognition of each \$50 subscription received by LCCCA on or before August 31st (and identified as being solicited by your group), your organization will receive **\$5.00**. A check for the total amount raised by your organization will be mailed September 28, 2007.

Additionally, your group will be publicly recognized at our concert on Monday, October 15, at 7:30 p.m. as a partner with LCCCA in bringing outstanding music to Lebanon County.

For more information and/or a subscription packet for your organization on the **LCCCA Community Partners Program** contact:
